EXPERIENCE

Founder & Product Designer | 2018 -

Unikkatt

- Scaled a small business through creative product design and branding.
- Led all aspects of operations, from inventory management to shipping logistics, to client relations.
- Designed and delivered customer-centric products, incorporating feedback and ensuring customer satisfaction.

Cabinetmaker & Product Designer | 2017 - 2019

Pickett Furniture & Design

- Designed and crafted custom wood furniture.
- Worked with clients to refine concepts and iterate designs tailored to spec.
- Developed and implemented an efficient inventory system, improving workflow and material tracking.

Assistant Producer | 2015-2018

Altmann Productions

- Used Logic Pro to create production-ready custom arrangements.
 - Collaborated with clients, composing and producing from concept to finish.
-
